make

Lincraft

Christmas
Felt Penguin

#A585

DIFFICULTY ●●●

Approximate Time of Project: 2+ hour

MATERIALS

Black felt
White felt
Small amount of orange felt
Polyester fill
DMC thread – white, black and orange

EQUIPMENT

Penguin template
Scissors
Hand sewing needle

STEPS

1. Cut out the penguin body, arms and legs from the black felt. Cut the face/body out of white felt and the nose with orange felt.
2. With right sides together, place an arm as noted on the pattern and hand stitch into place with two strands of black DMC thread. Repeat for all arm and legs
3. Stitch the white body/face to the body into place with two strands of white DMC thread.
4. Stitch the orange nose into place with two strands of orange DMC thread.
5. Stitch the eyes onto the face with 6 strands of the DMC thread.
6. Place the penguin body place wrong sides together. Blanket stitch around the edges but leaving a small gap for stuffing.
7. Fill the penguin with polyester fill. Blanket stitch the gap close.
