GAUGE

14 stitches = about 4 in. (10 cm) in Garter stitch (knit every stitch on every row).
BE SURE TO CHECK YOUR GAUGE.

NOTES

1. The Afghan is worked in one piece using just the knit stitch.
2. A circular needle is used to accommodate the large number of stitches. Work back and forth in rows on the circular needle as if working on straight needles.

AFGHAN

With A, cast on 105 stitches.

Work in Garter stitch (knit every stitch on every row) until piece measures about 7 in. (18 cm) from beginning.

Cut A, leaving a yarn tail about 6 in. (15 cm) long to weave in later.

Change to B (to change to B, just begin knitting the next row with B) and knit across, mark the side of the Afghan that is facing you as you work this row as the right side.

Continue in Garter stitch with B until B stripe measures about 7 in. (18 cm). As you get close to the 7 in. (18 cm) measurement, keep an eye on your knitting and make sure that the last row you knit is a wrong side row – the wrong side is the side of the Afghan that doesn't have a marker.

Change to C.
